Who we are

Awesome Pattern Studio (APS) is a team of professional artists based in Ukraine, providing high-quality **cross-stitch, embroidery, beading, and diamond painting** patterns and kits.

With more than 80,000 sales, we are one of the world's leading manufacturers of unique kits and patterns for DIY enthusiasts.

Now, for the first time, APS is making its products available directly to select retailers in the United States at wholesale price. We know that you will love our brand - and so will your customers.

Partnering with Awesome Pattern Studio provides you an easy opportunity to make a great profit and attract new loyal customers.

We invite you to explore our wholesale and retail websites:

What makes us stand out?

Over 4,000 incredible designs. Whether your customers are beginners or needle-arts veterans, our eye-catching designs were created to make crafting interesting and fun. Modern, whimsical, abstract, detailed - we have it all.

Easy-to-read charts contain all the information the maker needs to create a beautiful piece of art, in the format they choose to work with.

Quality. Generous amount of thread, beads, or diamonds, as applicable to the kit, to ensure crafters will have everything they need to complete the piece. We provide the highest quality supplies for effective and efficient crafting (and all at an economical price).

Customizable. Awesome Pattern Studio suits each retailer's needs. As your partner, we are happy to help you with any questions you have, at any time.
